Happy New Year!

Wow, it's hard to believe it's 2018! Time just seems to go by so fast. I hope everyone in our Cherokee family had a wonderful Christmas and Happy New Year!

I am looking forward to a brand new year filled with optimism - this past holiday season was very busy at the Club and I expect that trend to continue. Chef Tracy has done a wonderful job with all of our seasonal events as well as our traditional Thursday Night Dinners and Sunday Brunches. More dinner events are being planned as we speak with more information to come as soon as it is available.

The golf course is in great shape for this time year and although we have had some really cold (and snowy) days there have also been some really nice days to play! On several warmer days the Dogfight has had up to 16+ players. Speaking of snow, last month's surprising snowfall disrupted several events in the Clubhouse and dropped a lot of limbs and debris on the course. Things could have always been worse and we're thankful that they weren't.

And for being thankful, we as a staff are thankful for you, our members! Thank you for your generous contributions to the Club's Employee Christmas Fund, and for all the encouragement and support you show to our employees all year long as well for numerous "projects" many of you volunteer for every year. We love our jobs very much and it's because of you!

So here we go, let's all make 2018 the best year ever - be on the lookout and sign up for upcoming events as they are scheduled and we'll see you at the Club.
