Merry Christmas!

It has been a long year for a lot of reasons. Whether our issues have been personal, political, work related, or anything else, it's a good of time of year to be thankful for what and who we have in our lives. To me this is what the Christmas season offers, along with hope. This time of year we see people of different races and religions helping each other regardless of backgrounds and bank accounts. It is an uplifting thing to witness.

As most know, our Club has been through a lot this year also. Actually the past 10 years or so have been hard on Cherokee as it has for most other small businesses trying to navigate and survive the economic climate we've been in. Last month the board of directors had an open meeting with the membership to discuss the issued assessment and ideas for the future of Cherokee. The meeting was well attended and the discussions were positive as there was an overall sense of optimism as we move into 2019.

Thank you to the 88+ people that came out to enjoy Thanksgiving Day lunch at the Club last month! Chef Tracy and her staff once again prepared a wonderful meal that had everything you could ask for then some more! We are very grateful to have such a great Chef and staff. Our Thursday and Sunday buffets have been great all year and the Steak Nights, Seafood Nights and other themed dinners have been amazing – invite friends and family to join you on for some of these events!

So as we turn the page and move on to 2019 and a brand new year, my hope is for everyone to remain positive and continue to support one another and Cherokee.

I look forward to seeing you at the Club. Merry Christmas!
