## From the Manager

What a difference a few days can make...

As we all know this has been a tough winter for doing much of anything outdoors. It has been either snowing, raining, or just brutally cold. The past couple of weeks however have been a nice reprieve with some much anticipated warmer weather! We have had several days where the temperature reached 80 degrees! All of this warm weather has even caused some Bermuda to come out of dormancy and the maintenance crew to fire up the mowers!

The golf course is in excellent condition for this time of year and our greens are nearly perfect. The cool nights and warm days are the perfect environment for the bent grass putting surface. On the subject of "greens," we will be aerifying the first week of March. This is a must for proper turf maintenance as it relieves soil compaction and allows for better nutrient absorption by the plant. Our maintenance crew always does a great job in this department — it is not easy work.

One of the first golf events on our calendar is our 2<sup>nd</sup> Annual Founders' Day Tournament on April 20<sup>th</sup>! It is a 4-Person Scramble – Shot Gun start at 9:30. The cost is \$50 per player / \$200 per team. That fee also includes "Closest to the Pin" and "Longest Drive" contests.

There will also be:

- Putting Contest (\$5)
- Chipping Contest (\$5)
- Lunch Buffet
- Raffle Drawing
- Silent Auction

The field is limited to the first 18 teams. If anyone is not able to play you can still support the tournament with a donation of items to be sold/raffled or make a \$100 donation to put your name or business on our sponsor appreciation signs! This is going to be a fun day to recognize the history our Club and its founders with the proceeds to go toward various Club improvement projects. Call the Club if you have any questions. I look forward to seeing you soon!
